The Hernando County Drug-Free Workplace Policy is in direct compliance with the Drug-Free Act of 1989. Concerned for the health and well-being of Hernando County employees and/or volunteers, this Policy declares all Supervisor of Elections work locations as drug-free work places. This Policy addresses legal and illegal use of drugs, conditions for violations, penalties and repercussions as well as the availability of rehabilitation services. The purpose of this oath is to insure that, as a Supervisor of Elections employee or volunteer, you are aware of the Hernando County Drug-Free Workplace Statement Policy and that the Hernando County Drug-Free Policy has been explained to you by a Supervisor of Elections staff member during training or orientation.

Hernando County is committed to a Drug/Alcohol-Free work environment. The safety of the employee, fellow employees, the public, public property and equipment is placed in jeopardy when an employee is under the influence of drugs and alcohol. It is the policy of the County that the unlawful manufacture, sale, distribution, dispensation, possession or use of drugs or alcohol, as determined by federal law, whether on-duty or off-duty or being under the influence of drugs or alcohol in the workplace, on County property or as part of any County activities is expressly prohibited and constitutes grounds for termination of employment with Hernando County. Drug testing of Hernando County employees is compliant with the Drug-Free Workplace program outlined in both Federal and Florida state laws. Hernando County has designated three (3) categories of employees for drug and/or alcohol testing: Federal Motor Carrier Safety Administration – stated as Commercial Drivers’ License (CDL) Safety-Sensitive employees, employees covered under the Federal Transit Administration (FTA) – which may also be a CDL holder and all other County employees.
